

# Advanced Technical Panels

ATP is the UK's leading custom-built panel distributor

ATP have developed a wide variety of birch plywood based products for specific end uses. Almost all of which are available with the prestigious FSC or PEFC certification. ATP are also ISO 9001:2000 registered.

The ATP range for Flight Cases is as follows:

## Koski-Futura

**Koski-Futura - Black PPL Face with White / Grey Balancer Birch Throughout WBP Plywood**

Stock sizes:

6.5mm 1220 x 2440mm • 9mm 1220 x 2440mm • 9mm 1220 x 3050mm

Other sizes / thicknesses are available on request. Alternative colours available to order, red, yellow, green, blue, white, silver and grey. This panel is very popular with flightcase manufacturers because the boards are very flat which make them easy to cut and machine. Also, the eye-catching surface has a laquered coating applied to improve scratch resistance.

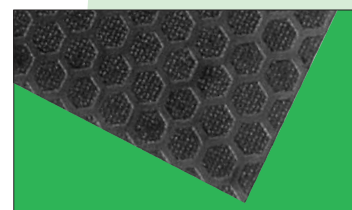

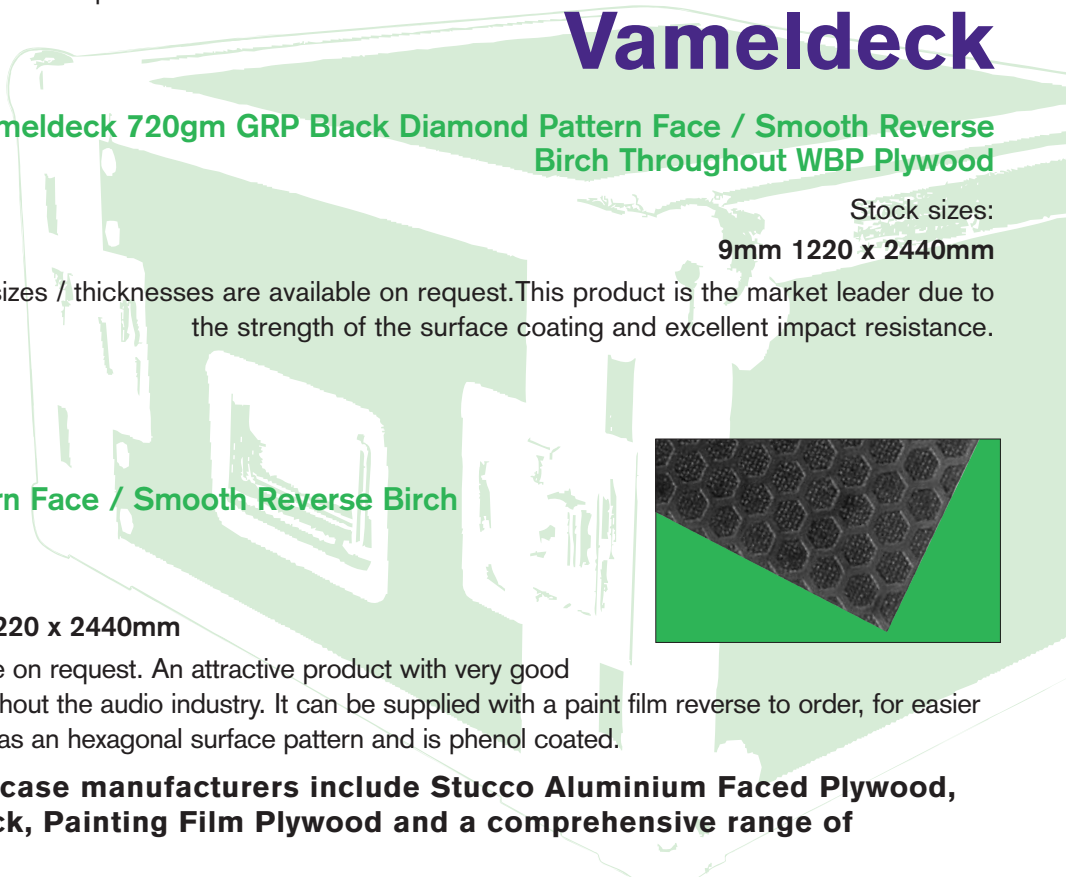

## Vameldeck

**Vameldeck 720gm GRP Black Diamond Pattern Face / Smooth Reverse Birch Throughout WBP Plywood**

Stock sizes:

9mm 1220 x 2440mm

Other sizes / thicknesses are available on request. This product is the market leader due to the strength of the surface coating and excellent impact resistance.

## Hexa-Grip

**240gm Black Hexa-Grip Pattern Face / Smooth Reverse Birch Throughout WBP Plywood**

Stock sizes:

6.5mm 1220 x 2440mm • 9mm 1220 x 2440mm

Other sizes / thicknesses are available on request. An attractive product with very good impact resistance, widely used throughout the audio industry. It can be supplied with a paint film reverse to order, for easier bonding of internal foam. Hexa-Grip has an hexagonal surface pattern and is phenol coated.

**Other products available for case manufacturers include Stucco Aluminium Faced Plywood, Finndeck Black, Shimmerdeck, Painting Film Plywood and a comprehensive range of laminate-faced plywood.**

## Other products ATP offer include:

Wisa Wire F, Delignit RO/BSP, Grip Deck,  
CSM 10 Polystar, Rhomb / Carat.

## Other Brochures available from Advanced Technical Panels

Advanced Technical Panels for **Transport**

Advanced Technical Panels for **Sports and Playgrounds**

Advanced Technical Panels for **Access, Staging & Marquee Floors**

## Advanced Technical Panels would like to thank:

Obco, The Flight Case Company, Seddons Manufacturing, Sam Cases and Koskisen oy
